This half-term's value is Thankfulness

Headteacher's Message

We would like to invite parents into lessons from this half term to share in your child's learning and we will be starting this shortly. Time slots will be made available for you to come in and join your child for an hour. The aim is to share with you how the children are working in class and allow you to feel the positive learning environment that the children are enjoying.

Please could you also let me know if you would like to be considered for the parents' role on the IEB and I will send you further information.

Executive Head

Prayer for the Week

Dear God,

Thank you for the food we have,

Thank you for sending the sun and rain to make crops grow,

Thank you for farmers who grow and harvest the food,

Thank you for the people who work in the shops where we buy
our food from,

Thank you for the grown up who cook us delicious meals,

We think about people in the world who don't always have
enough to eat,

We pray that these people won't be hungry anymore.

Amen

Harvest Festival & Macmillan

The children held a wonderful Harvest Service this morning in Church and thoroughly enjoyed having their grown-ups there to watch!

This year's theme was 'From Field to Fork' and each class thanked a different group of people involved in this process - each in their own special way! Singing, Poetry and Drama was enjoyed by all and we're sure you'll be singing the Harvest Samba for some time to come! We can't wait for the next time we can perform for our families.

Thank you all your generous food donations which will be sent to the Cannock District Foodbank who work tirelessly providing for families in need.

It was lovely seeing so many of you after the service enjoying a cuppa, a piece of cake and a natter. The atmosphere in school was so lovely and it was so nice having you back in the building. Thank you (again!) for your generosity – we have raised an amazing £88.30 for Macmillan.

Open Days

Throughout October and November, we are holding a number of open events to encourage prospective parents/pupils to come and look round the school and meet the staff.

Please could we ask for your support either by sharing the following Facebook post advertising the events or by simply spreading the word! We are also printing some leaflets and posters so if you know of any local business who would be willing to display them please let Mrs Stones know. Thank you.

**YOUR
PTA
NEEDS
YOU**

All Saints has always been very lucky to have an extremely supportive and pro-active PTA who, as well as fundraising for the school, also run our Breakfast Club.

Unfortunately, the last couple of years have been difficult in terms of fundraising/holding events with the restrictions Covid placed on us all.

However, they are now looking forward to "getting back to normal" and would love to have some new members on board.

So - if you are interesting in joining or have any fundraising ideas – please contact Jane Travers (Ethan and Jenson's Mum) on 07860 280746

Keeping children safe during community activities, after-school clubs and tuition - Questions to help parents and carers choose out-of-school settings.

We have received the following information and have been asked to forward it on.

As we start a new school year, parents may well be looking for after-school clubs, theatre groups or sports' clubs. The DfE has a document that helps parents identify the safeguarding issues to consider when choosing a provider. Keeping children safe during community activities, after-school clubs and tuition: Questions to help parents and carers choose out-of-school settings. Parents can access the guidance here:
