This half-term's value is Truthfulness

Headteacher's Message

As the end of term is quickly approaching, it was lovely to take a minute for reflection in church this morning, before starting our Celebration assembly. Our school chaplain, Maryanne, joined us as we took a moment of stillness to consider members of our All Saints family that have lost loved ones recently. Our Worship team led us in prayer and we sang our All Saints hymn, 'Shine Jesus Shine.' Our children have been shining this week as they have been working their socks off, completing end of term assessments for reading, writing and maths. These results will go towards making our teacher assessments that you will get in your child's reports in the next few weeks.

Over the last few weeks All Saints really have been 'living life in all its fullness,' as we celebrated School Sports Week through a range of activities and experiences. Kicking off the week was a visit from Lexi Walker, who inspired the children with her journey to become the champion boxer she is today. We even made the Chronicle newspaper, look out for us in this week's edition. We also had our sports morning at the community centre, sports afternoon with our families on the school field and we finished the week with our whole school trip to Staffordshire University Forest School. What a fantastic week!

This week we have been getting very excited about transitioning to our new year group/classes. On Tuesday, children spent the day getting to know their new teachers and finding out a bit more about what their class will be like in September. Everyone seemed happy and there were lots of giggles and smiles coming from all of the classrooms. Our next transition day is planned for Wednesday 5th July, this also coincides with our final sports enrichment day 'Game of Colours.' Please see Dojo for all the information you need for this day. Please note, there will not be any swimming on this day.

Finally, we have been busy this week making plans for end of year trips. Doves have an exciting trip to Severn Valley Railway next Friday and Sparrows will be bringing their topic to life by visiting Cadbury World on Monday 17th July.

With only three weeks left of the school year, we have lots of changes to timetable and various events coming up, it is therefore really important that you keep up to date with DOJO.

Have a restful weekend,

Mrs Scott

Prayer for the Week

Dear Lord,

Now the busy day is done,
Jesus bless us everyone,
Keep us safely through the night,
Until we see the morning light.

Amen

What an action packed week!! National School Sports Week comprised of:

- morning miles
- a visit from a European champion female junior boxer
- a morning of gym, circuits and dance
- swimming
- sports day
- a forest school day at Staffordshire University.

The children did amazingly well and seemed to enjoy the whole week. A big thank you to all the staff who worked so hard throughout the week to make it such a fabulous time.

Game of colours

The event is being led by Mrs Rachel Jukes who led our Festive Fitness, Active Stem and Cheerleading Workshops earlier in the year.

The Game of Colours involves working in groups to complete challenges within different coloured zones - each one focusing on the development of a particular skill such as physical development, creativity, problem solving and team work. The children will be completing the activities within their new class groups with their new class teachers/support staff for September. This is our second transition day of the year and it is hoped this will provide a valuable team building opportunity for both pupils and staff.

Year 6 will have a lead role in running the activities and will be Mrs Jukes' helpers for the event. If Year 6 could wear a brightly coloured t-shirt (avoiding red), this would make it easier for Mrs Jukes to see who her helpers are. The other children will need to come to school wearing their red PE kits. Please could all children ensure they come to school with sun cream applied having taken any allergy medication. They will also need a hat, large water bottle and a lightweight waterproof with them.

We would like to thank you all very much for your support so far in raising money for our leavers trip.

We still have one more event to go – our sponsored walk which will take place on Friday 07th July. We will start at school and head towards the lovely woods in Teddesley. This walk will allow us to work as a team and spend time together just before the next step of our school journey. If you are able to contribute/sponsor, we would appreciate any contribution whatever it is. Thank you from Year 6.

Bednall Church Fete

Traditionally All Saints have always opened the village fete and we have been lucky enough to be asked again. It is also a fantastic opportunity to show off our little school to the many visitors that come to Bednall on that day.

We have decided to open with a dance choreographed by Miss Connolly. Many other staff will also be there on the day but we do need your children too - the more the merrier. It's a lovely event with lots going on so, if you are able to help by getting your child there for 2pm prompt, please can you let me know. Each child that participates will get a prize! Please help and support our wonderful school - thanks in advance. Mrs Scott.

Headteacher's Award

Sparrows – Alfie for his superb segmenting and blending of sounds and his reading

Doves – Angelmay for super creative writing

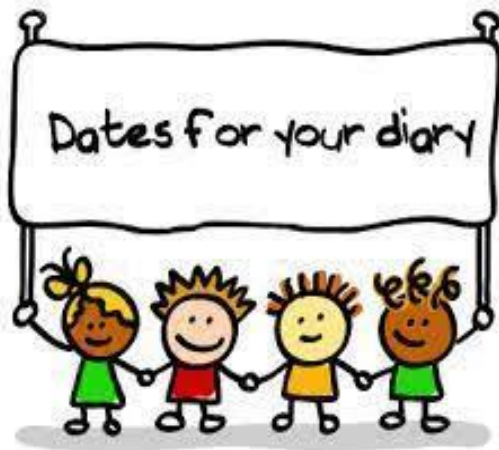

Eagles – Dylan for being a fantastic RE teacher and teaching us about the 5K's

Dojo Certificates
